CHANGES TO ZONE 9 ‘BOWLER of the YEAR’ AWARD SYSTEM

Following the decision of BNSW and the State Match Committee to introduce Senior Triples and Fours and Reserve Triples and Fours to their State Championship program, it was proposed that Zone 9 amend their previous ‘Bowler of the Year’ award so that it more accurately reflected the pathways of Open, Senior and Reserve events.

To that end it was confirmed at the Zone 9 Management Committee meeting held on 10th December 2018 that from 2019 onwards there would be three awards presented at the completion of each calendar year:

Open Bowler of the Year
Senior Bowler of the Year
Reserve Bowler of the Year

Points would be awarded for the following Zone Championships:

Open, Senior & Reserve Singles, Pairs, Triples & Fours
Champion of Club Champion Singles & Pairs

The following points system would apply across the board:

Zone Champion	100 points per player
Runner-up	75 points per player
Losing semi-finalists	50 points per player
Losing quarter-finalists	25 points per player

(Note: Points are only awarded to the end of all Zone Championships and do not extend to performances at State Championships)
