

Zone 9 Coaching Committee Monthly Report

September 2018

As reported at last month's meeting there will be a Zone 9 Coaching Course in October/November and we will post details in the form of a flyer very shortly. In fact there will be two Courses – 1) on consecutive Mondays, 29 October and 5 November and 2) on consecutive Sundays, 28 October and 4 November. Both courses will be exactly the same.

The Sunday courses are being held for people who wish to become a Coach at their Club but are still working and therefore are unable to attend on weekdays. It may be confusing having the courses so close to each other but it will allow planning for Pennant preparation in early March 2019.

Zone Secretary Mark Alexander will send the fliers for both courses to all Club Delegates and Bowls Secretaries so they can be posted on Club notice-boards.
