

Zone 9 Coaching Committee Monthly Report

October 2018

There are places available for the two Zone 9 Coaching Courses that are being held at Harbord BC. The first course is on Sundays 28 October and 4 November and the second is on Mondays 29 October and 5 November.

This is the first time we have held a weekend course to allow bowlers who are working or find it inconvenient to attend through the week, so please take advantage of it.

I offer my apologies to anybody who attempted to enrol by email and wasn't able to get through. I have had the problem fixed and it is now possible to send emails to peterdward@optusnet.com.au. There is a flier that Mark Alexander will send to all Bowls Secretaries to affix to Club notice-boards and please extend the invitation to the lady bowlers at your Club; they are most welcome to attend.

A reminder that this is an ideal time for all Clubs to start preparing and redeveloping bowling skills in readiness for the 2019 Pennants.
