

Selectors Committee Report - October 2018

- **Committee meeting** – the Committee’s first priority through September/October has been to concentrate on selections for the inaugural Vets Inter-zone. It will formally meet as a committee later this month
- **Vets Inter-Zone 25-26 October** – there were over 70 registrations from which 32 players were trialed (one game) at Harbord BC on 13 September. The following trial scheduled for 20 September was a wash-out so it was rescheduled to 25 September at Belrose BC (two games) as that was the closing date for the submission of Zone sides. The Zone Side was announced on 27 September and in preparation for the Inter-zone it will play together amongst itself at Belrose BC on 16 October.
- **‘New Bowler Events’** – the first event is expected to be run sometime in the last week of January – first two weeks of February 2019. It will be held mid-week as the experience of endeavouring to organize such an event on a Saturday in 2014 was that with the Zone’s annual bowls program having over 200 entries there was no appropriate Saturday free. It is expected that event details will be provided by the end of this month.
- The Committee members are compiling a list of a variety of matters it will talk about as a Committee before passing on its recommendations thereon through the Zone Executive to the Management Committee.

Steve Gliddon
