

## **Selectors Committee Report - July 2019**

The highlight of the most recent period was the inaugural success for Zone 9 at the Senior Inter-zone event held in Newcastle. All members of the team performed with distinction both on and off the green. Harbord's Terry Warder was subsequently included in the trial squad for the NSW Senior Side.

It is disappointing to hear of the likely cancellation of the Open Inter-zone event for 2019. While the calendar for 2020 has not been finalised, it is likely to see both the Senior and Open Inter-zone events brought forward into the late first quarter or early second quarter timeframe. This may have ramifications for the Zone 9 events calendar as well as presenting some challenges with respect to the scheduling of trial matches.

In the near term, selectors will focus on the upcoming meeting of the development squad where we hope to unearth some rising talent. This event, originally scheduled for 23<sup>rd</sup> June, has been postponed till Sunday 21<sup>st</sup> July at 10am at Belrose BC.

Later in the year we will look to run trial matches to decide upon the squad for the Veterans (70 years and over) Inter-zone event to be held at The Greens The Entrance BC (Zone 15).
