

State Councillor's Report

Zone Meeting 11 February 2019

There has not been a State Council meeting held since our last Zone meeting. However, I intend to advise the next SC meeting, scheduled for 14th March, of the following key Zone 9 issues:

- The Zone 9 Match Committee has done an outstanding job in arranging the upcoming Pennant season and the regular Zone events
- The Zone Triples has been held and Zone Fours will be held in a few weekends
- Senior Inter-zone in-house trials are scheduled
- A New Bowlers Event is planned for Wednesday 27 February for Leads, Second & Thirds with good skips supplied to each team. It's a free day with lunch and a brief talk by our Umpire and Coaching Committees included
- Vets & Super-Vets Day is planned for Monday 8 April
- We gave BNSW a report on the state of Junior bowls development in the Zone
- Our long-standing Zone and Asquith BC member Carl Perry recently passed away
- Forestville RSL BC has a Presentation Night planned for Saturday 23 February
- Belrose BC held a Charity Day to raise funds for their Grade 1/2 player Rex Cochrane who was badly injured in a recent quad bike accident. Rex's family, fellow bowlers and supporters travelled from as far away as Lightning Ridge to support the day with big raffles and silent auctions included in the fun bowls day. They thank all supporters, including members of Chatswood BC, for assisting in raising over \$6500
- Zone 9 will be represented at the upcoming BNSW Player Awards Night
- Additional Zone awards for Senior Bowler of the Year and Reserve Bowler of the Year are being researched.

I am always happy to discuss any points.

Andy Little
Zone 9 State Councillor
