

## **State Councillor's Report**

Zone Meeting 13 May 2019

Zone Secretary Mark Alexander accompanied me to the State Council meeting held on 14<sup>th</sup> March; the following are the key points raised at that meeting:

- Discussions on the various State Council charter points continued. Looking to prepare a simple questionnaire for Club members to gauge what each age group wants from the sport.
- An update on Junior Programs and Junior Development was provided by outgoing General Manager Anthony Cottee. A paper on this subject was supplied to our Zone Junior team of Earle James & Ron Piper.
- A new P/T Marketing Manager, Michelle Taylor, has been appointed.
- WWCC; the importance of holding this certificate was stressed.

### General

As referred to in the President's Report, it was great to see the Zone Junior Singles and Pairs events conclude. These 4 players will now participate in the Singles, Pairs and Fours at the 2019 BNSW State Junior Championships in mid-July at Warilla BC.

I encourage all Club Committee members to complete the recently released BNSW Conference survey. Also, to ensure Clubs are represented at the proposed conference likely to be held in September.

Good luck to our Zone Senior Inter-zone team for the week ahead and thanks to our Selection Committee for their efforts.

Congratulations to all those who played in our current Pennant season and good luck to all Clubs and players in the forthcoming Zone Finals to be held at Harbord BC. Thanks in advance to all involved at Harbord BC in hosting the event and to our Zone Match Committee for all their work leading up to this major bowling weekend.

Trust all Clubs are planning to ensure on-time payment of their 2019/20 BNSW Annual Membership fees.

I am always happy to discuss any points.
